Read our Prior Learning Credit booklet, *Turning Life Learning Credit into College Credit*.

Fill in the back side of this sheet to describe in minor detail your Life Learning Experiences in one or more of the following areas. Use additional pages if necessary:

- Learning from work situations
- Learning from seminars, professional licenses, and/or workshops
- Learning from military schools or service
- Learning from church ministry and community service
- Learning from family, marital status, and children
- Learning from travel, hobbies, and sports
- Learning from other sources

After these pages are reviewed, you will be contacted regarding the next stage. The second stage will demonstrate what you have learned, not what you are doing or have done. Each area that is acceptable will require a detailed paper (two to three pages) to be written and verification from an informed source.

Deliver this information to Dr. John Lepera in the Prior Learning Credit Office. Emails are acceptable except for signed verification letters. If using email, please use: JLepera@cuts.edu.
